- (g) Electronic Fund Transfers Initiated By Third Parties.** You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the

transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- Electronic check conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills. You may:
- Not exceed more than \_\_\_\_\_ payments by electronic check per \_\_\_\_\_ .
- Make payments by electronic check from \_\_\_\_\_ . Payments are limited to \_\_\_\_\_ per \_\_\_\_\_ .
- Electronic returned check charge.** You may authorize a merchant or other payee to initiate an electronic fund transfer to collect a charge in the event a check is returned for insufficient funds. You may:

**FINANCIAL INSTITUTION'S LIABILITY**

**(a) Liability for failure to make transfers.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- ◆ If, through no fault of ours, you do not have enough money in your account to make the transfer.
- ◆ If the transfer would go over the credit limit on your overdraft line.
- ◆ If the automated teller machine where you are making the transfer does not have enough cash.
- ◆ If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.

- ◆ If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- ◆ There may be other exceptions stated in our agreement with you.

**CONFIDENTIALITY**

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4)  if you give us written permission.
- as explained in the separate Privacy Disclosure.

**UNAUTHORIZED TRANSFERS**

**(a) Consumer Liability.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. If the unauthorized use of your lost or stolen card and/or code occurs through no fault of yours, no liability will be imposed on you. Otherwise, you will be liable for the lesser of:

- (1) \$50.00, or
- (2) the amount of any money, property, or services obtained by unauthorized use of the card and/or code before you gave us notice.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. Except for electronic funds transfers made by card or other device for use at a communications facility, such as an ATM, if you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time and, as to transactions arising from the unauthorized use of the card and/or code, if your failure to examine your statement or tell us constitutes a lack of due diligence on your part. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

**Visa® Debit Card.** Additional Limits on Liability for unauthorized transfers . Unless you have been negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost

or stolen Visa card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Visa or Plus networks, or to transactions using your Personal Identification Number which are not processed by Visa. Visa is a registered trademark of Visa International Service Association.

- Mastercard® Debit Card.** Additional Limits on Liability for \_\_\_\_\_ . You will not be liable for any unauthorized transactions using your Mastercard debit card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated.

**(b) Contact in event of unauthorized transfer.** If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed at the end of this disclosure. You should also call the number or write to the address listed at the end of this disclosure if you believe a transfer has been made using the information from your check without your permission.

**ERROR RESOLUTION NOTICE**

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days if involving a Visa, point-of-sale transaction processed by Visa or 20 business

days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if involving a Visa point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.
